

**IMPORTANT INFORMATION:
PLEASE READ CAREFULLY.**

Dear Parent/Guardian:

It is with the utmost concern for safety that M & M Bus Service, Inc. maintains a policy regarding students being dropped off at places other than their home. The policy states:

Students in pre-school through 5th Grade that wish to get dropped off at a stop other than their scheduled stop, must have a note signed by their parent/guardian turned into M & M Bus Service, Inc. 2 days prior to the change.

M & M Bus Service, Inc. takes great care in making sure your student is as safe as possible, and cannot assume that a parent/guardian has granted the student permission without **written consent**. The note should include: Student's full name, grade, the bus they will be riding - with whom they will be dropped off with, and your signature.

**Because of the time sensitivity,
M&M Bus Service cannot accept changes
of any kind via email or social media.**

You may send the note with the student to give to his/her own driver, fax it, or drop the note off at the office.

Thank you for helping us keep children safe!
